ARTS & CRAFTS – create a new craft each day using an assortment of accessories and materials supplied to encourage the creativity of each individual and let the artist from within shine bright.

BAKING - campers will enjoy making bite size appetizers, delicious desserts and fun milkshakes. Although we are a peanut aware camp, we recommend campers with food allergies not select this workshop

SCIENCE (EXPERIMENTS) Hands on daily science experiments and games to make every child a science lover. Discover the Who, Why, Where & When of lots of your everyday questions and exactly how we know that for sure.

SUPER SPORTS - a different sport everyday including soccer, softball, basketball, and Frisbee golf in addition to volleyball, pillow polo, relay races and dodgeball. This program is run by a Physical Education Teacher either out on our back fields or in the air conditioned gym.

YOGA - campers will enjoy a Total Body Conditioning session using light weights and simple routines, all while listening to fun music. The second half of the workshop is a theme based Yoga class designed to stretch, strengthen and balance the mind and body.

YOUNG ARTISTS - campers will create *masterpieces* as they build their artistic skills, exploring different art forms and mediums while having lots of fun with friends. Best workshop for campers who aspire to learn to paint like an Artist.

EQUESTRIAN Gr.K-8 (add'. fee) offered in Sessions II and III Tuesdays through Fridays in the mornings for the 2-week session. Refer to the full Equestrian program description located on our website under "printable forms"
